

*St. George Temporary Emergency Shelter  
Citizen Assist Registration Form  
This Information is Strictly Confidential*

**SPECIAL NEEDS**

Do you have any special medical or functional needs? Yes      No

*We ask this because your life challenges may require special assistance during evacuation and sheltering. You may also require a level of care or resources beyond the basic first aid level of care that is available in shelters for the general public. Knowing your needs will help us match you up with any assistance that might be available.*

**Please describe your need for assistance and any equipment that you may require.**

**Please read before signing**

Your privacy is important! The intended use of this information is to coordinate assistance to you in the event of a major emergency. While we cannot guarantee assistance, we will do everything possible to help you. In a major emergency, we may share this information with emergency responders or other local agencies to help meet your needs as effectively as possible.
